Of these locations, one-half will be Franchise locations, and one-half will be Chuck E. Cheese's locations. The presentations outlined numerous reasons for this approach as a logical, controlled method of determining feasibility and choosing from the long list of suggested entertainment enhancements. After discussion, Tom Pogemiller made a motion to approve the proposed approach, with a budget equal to all remaining unallocated cash in the Entertainment Fund this Fiscal Year.

The Entertainment Support Staff will provide more detailed plans and cash flow requirements at a future date, before additional expenditures are made. The motion was seconded by Bryon Schlosser and unanimously approved.

There being no further business to come before the Committee, the meeting was, upon motion duly made by Bryon Schlosser, seconded by Tim Kolb and unanimously approved, adjourned.
